VIA E-MAIL TO ALL COUNSEL OF RECORD:

RE: *Eolas Technologies Incorporated v. Adobe Systems, Inc., et. al*; Civil
Action No. 6:09-CV-00446-LED; United States District Court of Texas;
Eastern District

Counsel:

For any alleged prior art demonstration system(s) (whether by video, live or otherwise), and regardless of whether Defendants contend that such system was previously produced and/or made available for inspection, Plaintiffs request that the Defendants make live version(s) of any such system available in Court during the examination of any witness Defendants intend to offer to testify in support of any such demonstration system. Plaintiffs make this request in order to facilitate the cross-examination of any such witness.

Should Defendants fail to comply with this request, Plaintiffs intend to ask the Court to exclude any demonstration of any alleged prior art demonstration system(s) (whether by video, live or otherwise).

Sincerely,

Josh Budwin
